Website Design & Development Specification

Version 1.0

Prepared for: Cooper Middle School Debate Team

Developer: Hannah Shiv

Domain: CooperDebateTeam.com

1. PROJECT OVERVIEW

Purpose

The Cooper Debate Team website will serve as the central digital platform for:

- Students
- Parents
- Coaches
- Prospective members
- School administrators

The website will provide team information, tournament schedules, awards, resources, communication tools, and a secure members-only portal.

Project Goals

Goal 1

Create a visually appealing and professional website that reflects the excellence of the Cooper Debate Team.

Goal 2

Provide parents with easy access to schedules, announcements, and tournament information.

Goal 3

Provide members with secure access to team resources.

Goal 4

Create a lasting platform that can continue serving future Cooper Debate teams.

2. BRANDING

School Identity

Use official Cooper Middle School logo.

School affiliation should be visible throughout the site.

Cooper Debate Identity

Create a unique Cooper Debate visual brand while maintaining school recognition.

Suggested tagline:

Speak • Reason • Lead

Alternative:

Building Tomorrow's Leaders Through Debate

3. DESIGN PHILOSOPHY

Mobile First

The majority of users will access the site using phones.

Every page should be designed for mobile before desktop.

Long Scroll Pages

Avoid excessive submenus.

Each page should tell a story through scrolling.

Use sections rather than many separate pages.
